

ORTOALRESA BUNDLES

We have created these centrifuge packages based on the most requested configurations, making both selection and ordering easier, as they include all components: centrifuge, rotor, and adapters.

Bundle Reference	Includes				Applications
Bundle 1: Biocen 22 R Microtubes	Refrigerated centrifuge Biocen 22 R (CE 148) Angle-fixed rotor for 24 microtubes (RT 222)				Hospitals Blood banks Pharmaceutical industry Quality control laboratories: food University scientific laboratories Biotechnology
Bundle 2: Digicen 22 Conical Tubes	Centrifuge Digicen 22 (CE 257) Swing-out rotor 4x100 ml with REI System (RT 317) Adapters for 4x50 ml conical tubes (RE 341) Adapters for 4x15 ml conical tubes (RE 339)				Cell culture laboratories Veterinary laboratories Research laboratories Universities Pharmaceutical industry Quality control laboratories: food
Bundle 3: Digicen 22 R Conical Tubes	Refrigerated centrifuge Digicen 22 R (CE 259) Swing-out rotor 4x100 ml with REI System (RT 317) Adapters for 4x50 ml conical tubes (RE 341) Adapters for 4x15 ml conical tubes (RE 339)				
Bundle 4: Digicen 22 Blood Tubes	Centrifuge Digicen 22 (CE 257) Swing-out rotor 4x100 ml with REI System (RT 317) Adapters for 16x10 ml blood collection tubes (RE 316) Adapters for 20x5 ml; 7/10 ml blood collection tubes (RE 320)				Hospitals Clinical laboratories Hematology laboratories Veterinary laboratories Research laboratories
Bundle 5: Digicen 22 R Blood Tubes	Refrigerated centrifuge Digicen 22 R (CE 259) Swing-out rotor 4x100 ml with REI System (RT 317) Adapters for 16x10 ml blood collection tubes (RE 316) Adapters for 20x5 ml; 7/10 ml blood collection tubes (RE 320)				
Bundle 6: Consul 22 Conical Tubes	Centrifuge Consul 22 (CE 226) Swing-out rotor 4x400 ml (RT 286) Adapters for 12x50 ml conical tubes (RE 413) Adapters for 32x15 ml conical tubes (RE 416)				Hospitals Veterinary laboratories Pharmaceutical industry Quality control laboratories Research laboratories Universities Environmental testing laboratories Cell culture laboratories
Bundle 7: Consul 22 R Conical Tubes	Refrigerated centrifuge Consul 22 R (CE 232) Swing-out rotor 4x400 ml (RT 286) Adapters for 12x50 ml conical tubes (RE 413) Adapters for 32x15 ml conical tubes (RE 416)				

*Your usual distributor discount remains unchanged and is not affected by the promotion.
